

August 2023

August is filled with excitement!

A new school year is upon us as August 7th marks the first day of school for many students and families in Clark County followed by an August 14th start in Washoe County. Counselors, teachers, and administrators are already working on getting classrooms and lessons ready for the new school year and are preparing for excited students. The hustle and bustle has officially begun, school supplies are being purchased and schedules are being sorted.

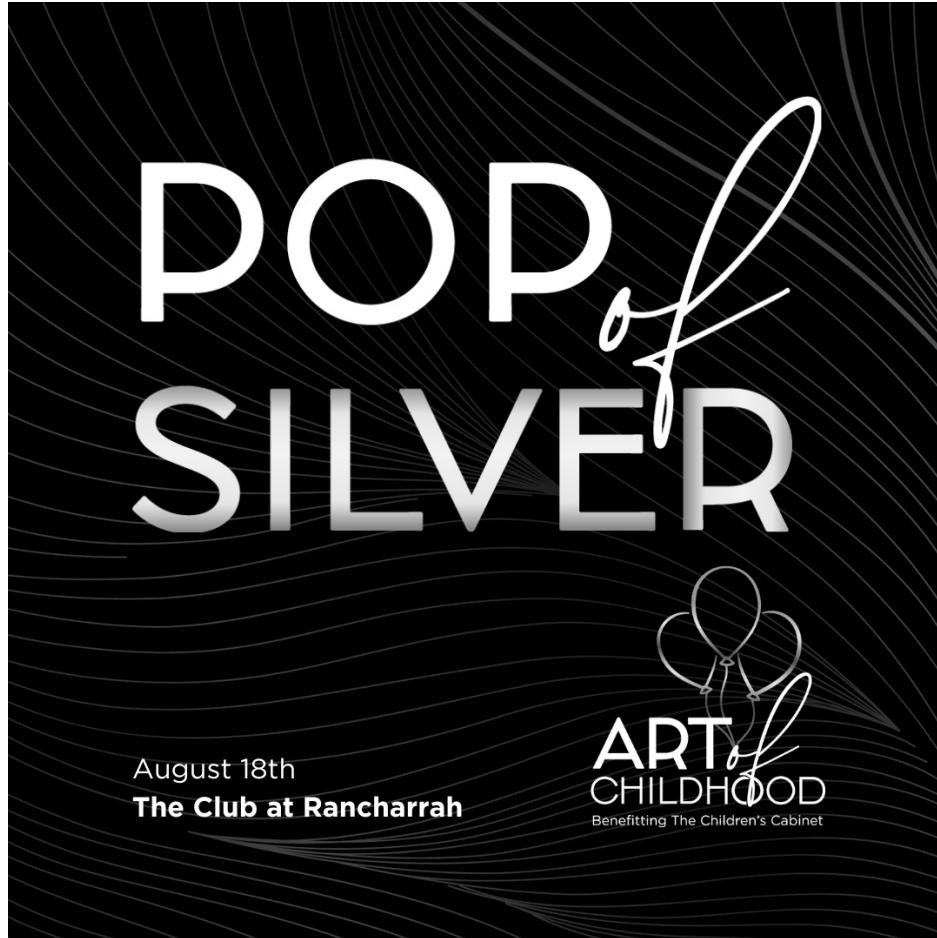

Our annual fundraising event, **Art of Childhood**, will take place on August 18th at Rancharra. If you are not attending the event in person, you can still support us by buying tickets for the Scheels Raffle online until August 11th and participating in online bidding for silent auction items starting August 16th. Visit www.artofchildhood.org to stay up to date on all details for the event.

At the event, we are looking forward to honoring **Kimberly Weingartner** with the Dixie May Philanthropy Award for the amazing support Kimberly has provided not only to The Children's Cabinet but to our entire community. Kimberly is a leader who constantly gives back through her organization, the Katie Grace Foundation, and we are thrilled to be able to recognize what she has done, and what she continues to do.
